MEMBERSHIP APPLICATION

The Cactus and Succulent Society of WA has been meeting since 1953, with the aim of advancing and encouraging the cultivation of cacti and other succulent plants. Collectively members of the Society possess an extensive and diverse range of experience, which they generously share. This covers such areas as soil mixtures, potting techniques, propagation methods, watering regimes, pest and disease control, naming of plants, obtaining and maintaining plants from seed through to maturity - over a huge range of genera.

The Society maintains an impressive library for the use of members', and organises visits, competitions, shows and other educational and social activities for its members. It also has a number of specialist 'study groups', which are open to all members.

The Society holds meetings on the second Sunday of each month at the City of Belmont RSL Hall in Leake Street, Ascot. The doors are open by 1:30pm, with the meeting starting at 2:15pm. Meetings are as informal as possible, with the business aspect kept to a minimum. At each meeting there are plants on show and for sale, a monthly 'bench competition', an organised talk or workshop, pots and potting medium for sale, and access is available to the lending and reference libraries.

Membership is for the calendar year, due in January. Half fees apply from July.

Membership (per calendar year): (please tick box)	Adult Single	\$20
	Adult Couple	\$25
	Concession Adult Single	\$15
	Concession Adult Couple	\$19
